Parrot Leg Ring Size Chart

Below is a list of parrots and their corresponding suggested leg ring sizes. It should only be used as a guide as sizes may vary within breeds.

Size		Breed
4.4mm	M	Meyer's Lory, Many Colours, Yellow-Fronted New Zealand Parakeets, Red Fronted New Zealand Parakeets, Lovebirds, Stanley Rosella, Kakarikies
5.3mm	N	Normal (Grey) Cockatiel, Redrumps, Mealie Rosella, Red Bellied Conure, Pearly Conure, Maroon-Bellied Conure
6.0mm	P	Colour Mutation Cockatiels, Perfect Lorikeet, Sun Conure, Nanday Conure, Jenday Conures, Blue-Throated Conure, Ducky-Headed Conure, Quaker Parakeet
7.1mm	Rn	Chattering Lory, Crimson-Winged Parakeet, Plumheads, Red-Throated Conure, Meyer's Parrot, Red-Bellied Parrot, Senegal Parrot
7.6mm	Sn	Indian Ringnecks, Moustached Parakeet, Pileated (Red-Capped) Parrot, Black-Headed Caique, Australian King Parrot, Green-Winged King Parrot, Hahn's Macaw, Noble's Macaw, Lesser Patagonian Conure
8.7mm	T	Roseate Cockatoo, Blue-Naped Parrot, Bronze Winged Pionus, Yellow-Naped Macaw, Golden (Queen of Bavaria) Conure, Alexandrine Parakeet, Greater Patagonian Conure
9.5mm	U	Citron Crested Cockatoo, Lesser Sulphur Crested Cockatoo, Goffin's Cockatoo, Great-Billed Parrot, Hawk-Headed Parrot, Yellow-Billed Amazon, Cuban Amazon, Hispaniolan Amazon, Green-Cheeked Amazon
11mm	V	Black Palm Cockatoo, Medium Sulphur Crested Cockatoo, Caninde Macaw, Eclectus Parrot, African Grey Parrot, Chestnut-Fronted Macaw, Yellow-Naped Amazon, St Vincent Amazon, Orange-Winged Amazon

Split Aluminium Rings are not really suitable for parrot like birds requiring sizes larger than a V, as a split ring is not nearly as strong as a closed ring and therefore can be crushed by the bird on to its own leg.
